Candidate's Statement:

My induction into the Lake Shore (IL) Chapter of The Links, Incorporated in 2003 has given me the opportunity to serve in a number of leadership positions

National Member, Health and Human Services Facet 2010 - 2014.

Lake Shore Chapter Treasurer 2012-current

Program Chair 2008-2012

Chair, International Trends Facet 2004-2005

Twenty-seven years of experience in Dentistry as well as being the owner of SRB Dental PC, Chicago, Illinois, has given me a prospective and a working knowledge of all financial reporting, accounting, management, budgeting and payroll. My experience as a business owner makes me uniquely qualified to serve in this position. I hold a Doctorate of Dentistry Surgery (DDS) from the University of Michigan School of Dentistry, Ann Arbor, Michigan. Additionally, I hold a Masters of Education from Texas Southern University, Houston, Texas and a Bachelor of Science from Johnson C. Smith University, Charlotte, North Carolina.

I have also served as the National President of the National Dental Association - 2011 as well as National Treasurer from 1998 to 2008. I served on the Board of Trustees from 1993 to 1997. Serving in these three areas of the organization has given me insight and a deep understanding of the importance of financial stability and accountability which I am very capable of providing to the Central Area.

During my tenure as National Treasurer, I fostered strategic development and presented the annual financial report to the House of Delegates and Board of Trustees. I also presented fiscal policies to the Board to strengthen the financial stability of the organization. I met with the finance committee, fiscal staff and external auditor to review the organization's audit report and management letter to ensure we were operating within standard accounting practices. As National Treasurer, I ensured the annual audit was completed in a timely manner and facilitated the auditors presentation of the results to the Board of Trustees.

To sum it all up!!!! My greatest assets are my experiences as a business owner for over 27 years and the treasurer of several local and national non-profit organizations. . I have extensive experience recording and analysing financial data to determine trends and organizational sustainability. Serving seven years as

the Chair of an internal audit committee provided me with a broader outlook of the overall financial picture of the organization. I have worked extensively with internal and external auditors to ensure the completion of timely reviews and preparation of IRS Form 990.

I consider my knowledge and skills in the area of business and organizational finance a gift and a blessing which I want to share. If elected to the position of Central Area Treasurer, I will utilize my expertise to maintain the Area's financial efficiency and effectiveness.

I am asking for your support for Central Area Treasurer. " I will do my best to give my best to the best.....Central Area !!"
