Candidate's Statement

I celebrate 22 years of walking the revered halls of Linkdom on the chapter, Central Area and National levels with Integrity, Faithfulness and Reverence (IFR). My knowledge of The Links, Incorporated has been increased by attending Area Conferences, National Assemblies and Leadership Summits; thus, becoming increasingly more knowledgeable in order to better serve. The Links, Incorporated is one of the vehicles through which I have chosen to serve, for service is my commitment to minister to the needs of others by giving of my time, talents, and tokens without expecting the same from those being served or seeking reward or recognition. It has been a labor of love to serve with my friends.

I stand ready, prepared and committed to continue to serve as a member of the Central Area Nominating Committee, bringing a depth of knowledge and experience in Linkdom, certification as a professional in human resources, and a strong faith. I have a wide breadth of knowledge and experience in developing and implementing policies and procedures and maintaining vital records; a broad range of experience in preparing slates of certified/qualified candidates; and a deep understanding of adhering to a strong and friendly nominating process. Additionally, I offer excellent communications skills, leadership and business acumen and computer/technology skills.

I am thankful to River City (TN) for their overwhelming endorsement. We thank you for the opportunity to continue to serve with my friends with Integrity, Faithfulness and Reverence.

With love and prayers,

Inetta F. Rogers
