

Re-Elect

Jacqueline "Jackie" Schoats Morson
for
Central Area Treasurer
The Links, Incorporated

My Dear Central Area Sister Links,

It has truly been a pleasure to serve as your Area Treasurer during this biennium. I have diligently kept your financial records in detail and proper order. We, as the Executive Committee, have balanced our budgets and expended funds in a prudent and judicious manner accomplishing our mission in supporting our members in our sixty-nine (69) chapters in Central Area. As your representative on the National Finance Team, we have completed the revised editions of both the 2012 and 2013 The Links, Incorporated Financial Handbook. I have assisted many chapters with a myriad of financial matters from preparing accurate budgets, utilization of fundraising revenue to required audits. I continue to educate our Link Sisters as a presenter at the 2012 National Assembly Financial Workshop, Central Area Summit in Lexington, KY and the 2013 Central Area Conference with our National Treasurer presenting the 2013 Financial Handbook revisions. Serving as your Area Treasurer is challenging, yet rewarding and I am humbled to have been elected by you in 2011. I ask for your support, once again, to re-elect me as your Central Area Treasurer.

Sisterly,

Link Jackie
